**2nd Annual Cow Pie Bingo for P.I.E.  
(Partners In Education)**

**November 5, 2016 during Wild West Days  
1:00 - 2:00 PM at Harold's**

Here is how Cow Pie Bingo works:

- You purchase a 2'x 2' square on the 560 square arena grid.
- The cow, "Lucita", roams the arena for up to 1 hour. If no "deposit" within 1 hour, a winner will be randomly drawn.
- If "Lucita" leaves a "deposit" on your square, you win \$500 or 20% of the take (whichever is less).

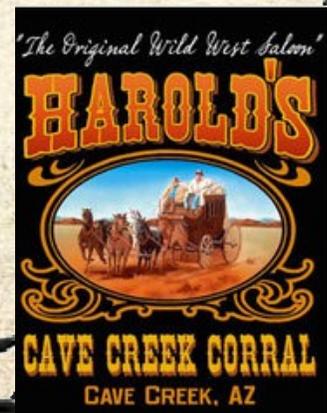

Special thanks - "Lucita" courtesy of John Holbrook

## Cow Pie Bingo Rules

1. Persons must be 18 or older to purchase a ticket and/or win a prize.
2. Player/Ticket holder need not be present to win.
3. Player/Ticket holder is responsible for all associated taxes on winnings.
4. No tickets will be sold after the event begins.
5. For each ticket sold, the “stub” will be placed in a sealed, nontransparent envelope by event organizers. Ticket stubs will be randomly drawn and assigned to a square on the grid. Only 1 ticket will be sold per square.
6. The grid map will be placed near the fence of the Cow Pie Bingo event prior to the start of the event. The map will have the ticket numbers placed on the squares that are owned by that ticket number. No names will be placed on the grid map.
7. The actual grid area will be marked on the perimeter of the fenced arena. Once the pie has been “deposited”, measurements will be taken to determine the exact winning square. Spectators/ticket holders must not interfere with the progress of the event.
8. At 1:00 PM on November 5, 2016, a cow will be led into the grid area by an appropriate handler and left free to roam in the arena until a cow pie is “deposited” on a square or the time allotment of 1 hour has expired. Upon completion of a cow pie or time allotment, the designated line judges\* will determine the results. If there is no cow pie by 2:00 PM, the winner will be determined by random drawing.
9. The square containing the biggest volume of cow pie will determine the winner.
10. If a cow pie lands on a square which is determined to be an “unsold” square, the winner will be the closest “sold” grid in proximity to the cow pie.
11. Line judges decisions are final and will be publicly posted on FCF’s Facebook, twitter, website or available in the FCF office.
6. By purchasing a Cow Pie Bingo ticket you agree to all of the Cow Pie Bingo rules as stated above.

\* No judges, staff, handlers or committee members are allowed to purchase Cow Pie Bingo tickets.
